

Event: Earth Day

Date: 22nd April 2024

Venue: Pre-Primary Department Gyan Bharati School

EARTH DAY is celebrated around the world with a beautiful message - “Our continuing efforts in our everyday lives will make this beautiful planet thrive.” Earth Day is a proof that even one person can make a global impact in a positive way. Echoing the same, Pre- Primary Department celebrated “The Earth Day” through a series of activities spread out through the week which culminated on 22nd April.

The children were reminded of simple doable actions towards safe Mother Earth. An array of creative events organized with a view to sensitize the children about the conservation of natural resources and to motivate them to do their bit towards making their planet even more beautiful. Our Environmental conservationists from the Nursery and Kindergarten contributed by doing various activities to create maximum awareness and impact. Earth Day was celebrated through educational and action-oriented activities that were fun. Children sang songs, recited poems and took pledges related to Earth Day. Activities of sorting good and bad habit flash cards, show and tell activity, ocean clean up activity were a few of the activities children indulged in. PowerPoint presentations were shown to remind the children of their duties towards ‘Mother Nature’ and some significant contributions that they could make to support the ‘Go Green’ drive.

Nursery children did a craft activity in which they stamped newspaper wrist bands with blue and green colours symbolizing land and water. The kindergarten children made pledge cards. Kindergarten children enthusiastically participated in a special assembly on this occasion.

P1- P3 The children of primary department enthusiastically participated in various activities to commemorate our generous Mother Earth. On the occasion of the Earth Day, an array of creative activities was organized with a view to sensitize the children about the conservation of natural resources and to motivate them to do their bit towards making their planet even more beautiful.

The day started with a special assembly which was held to celebrate the Mother Earth wherein the school choir presented a melodious song which was followed by a thought provoking skit and a soulful dance dedicated to our blue planet.

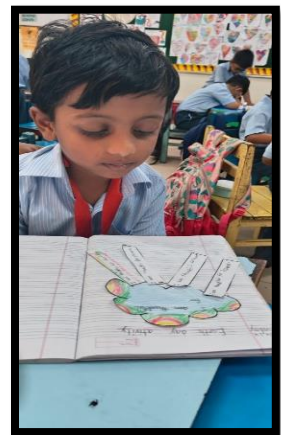

P1 children embraced the spirit of Earth Day through the story "Little Helpers," illustrating the significance of small actions in contributing to the well-being of our planet. Motivated by the story, the children showed their creativity by crafting badges as a proud symbol of their commitment to Earth Day.

The children of P2 explored Earth Day's significance, brainstorming ways to help the environment. They expressed gratitude by writing four things they appreciate about the planet on cut-out strips. They found the activity enjoyable and thought-provoking.

P3 children crafted 3D globes, pledging to protect the environment and noting their commitment on each globe. They explored actions like recycling and tree planting, inspired by Jadav Payeng , the forest man of India. This activity deepened their understanding of conservation, empowering them to make a difference with small actions.

The day inspired the kids to love and care for Mother Nature deeply.

PI-P3

CLASSES: P5 *The earth is what we all have in common” - Wendell Berry*

To sensitize children to become crusaders for environmental conservation, the Primary Department of Gyan Bharati School organized the ‘Earth Day Celebration’, keeping in mind the theme of the year 2024- **“Planet vs Plastic”**.

Children took up the cleanliness drive at various places in and around the school. They cleaned up the bylanes around the school, and inside the school campus. They generated awareness by chanting slogans like *Stop cutting trees, they will help you breathe; Say no to single-use plastics*, etc. to the passer-bys. Another group went to PVR complex, Saket where they not only cleaned the campus but a street play on air pollution and its harmful effects on Mother Earth was also performed by the talented students of classes P5s.

‘Our Children are Our Future’ and we all need to do our bit to contribute to the environment positively, for that will be one of the best investments we will ever make for our children

CELEBRATION AT A GLANCE

REPORT ON EARTH DAY ACTIVITIES IN MIDDLE AND SENIOR SCHOOL
