

Gyan Bharati School
Saket, New Delhi

DATE: 15.04.2024

NAME OF THE EVENT: Excursion to Qutub Minar

CLASSES: Class P2(all sections)

TEACHER INCHARGES: Ms. Priyanka Gaba, Ms.Neha Sharma, Ms.Maitri Vats, Ms.Sakshi Bhargava,Ms.Sanskriti Aggarwal.

The students of class P2 went on an educational trip to Qutub Minar. Students captured the beautiful architecture of the Qutab Minar and observed the different sculptures made there. They also saw Quwwat Ul Islam (Light of Islam), a rust-proof Iron Pillar, and Alai Darwaza, a domed gateway to the mosque and Alai minar (half-built). Children got to know about their historical value as well. It was a great learning experience and children were sensitized towards the cleanliness and maintenance of many of these archeological sites present in our country. The students noted down their observations and illustrated their excursion experiences as a follow-up activity.

As we concluded our tour of the Qutub Minar, students gathered for a reflective discussion, sharing their thoughts and impressions of the experience. It was inspiring to see how the excursion had sparked curiosity and ignited a passion for history among the students. The excursion to Qutub Minar was a resounding success, offering students a memorable journey through time and history.
