

SAVE SOIL MOVEMENT

Save Soil is a Global Movement to initiate a conscious approach to soil and planet. The movement seeks to support the governments of all nations to put in place, policies to revitalise soil and ecology by raising awareness about the same amongst their citizens.

It is a proud moment for **Gyan Bharati School**, Saket for having received a **Certificate of Participation** from **Isha Foundation** for its excellent contribution in the **Save Soil Movement**. Through its whole hearted support and efforts, the school has been instrumental in reaching the larger multitude by creating an awareness towards Save Soil through various school activities.

The school hopes to continue doing the good work to continue the momentum.
