

DHRUV AND LAKSHMIBAI HOUSE REPORT

TYAGAM PARAM AANANDAM

SANTOSHAM PARAM SUKHAM

The Second House Function was presented jointly by Dhruv and Lakshmibai House on 30th August 2022. The event was graced by an eminent personality Dr. Shailendra Vyas who has graciously consented to be the judge for all the four house functions. The function was based on the theme of 'Tyaag' and 'Santosh'; two values that need to be inculcated in the younger generation to realize the true meaning of happiness. The function commenced with a mellifluous orchestra based on Taal Baageshwari followed by another musical ensemble which was a mix of Raag Kaafi, Raag Shivranjini and Raag Kirwani. The audience were serenaded by the symphonies that filled the air. The House Reports highlighting the achievements of both houses over the period of the previous year were read out. The pride over the achievements was clearly visible on all the faces. The House Reports were followed by the invocation to Lord Buddha who epitomizes sacrifice and contentment. The solo performance by Dhruv House was a piano recital by Aalaya Chandola where the entire auditorium was filled with the notes of Chopin. The solo performance by Lakshmibai house was presented by Antara Chatterjee who is a trained Oddisi dancer. Antara's dance was a tribute to the omnipresence and mahima of Goddess Durga. The group song 'Des Mere, Des Mere' focused on the sentiment of love, devotion and a sense of attachment to the homeland. We remember together and reflect over a truly selfless surrender to the nation. The groups song was followed by a group dance titled 'Pukaar' which highlighted the essence of self-sacrifice through the words of the Bard of India, Rabindranath Tagore. The drama titled 'Tyaag hai aanand toh Santosh hai Parmanand' beautifully showcased the beautiful unity of sacrifice and contentment.

Dr. Vyas took to the stage and commended the efforts of the entire creative team and proudly mentioned that Gyan Bharati loves to and isn't afraid of 'experimenting'. He lauded the entire team for bringing such profound themes down to the level of the learners to help them appreciate it more. The School Director, Mrs. Lata Viadyanathan ma'am and principal Jyoti Saxena ma'am were also beaming with pride as they praised the efforts of the creative team and the children and said that the bar just gets set higher and higher with each and every function.
