Reflections: *'A child's smile is worth more than all the money in the world'.*

Childhood is a blessing and the most fun filled phase of life. This was truly made memorable by the Pre-primary teachers on Children's Day! A plethora of events like magic show, Joker dance, Group dances, Storytelling, Fun games, and freehand drawing on a huge canvas etc. (to name a few) were organised by the teachers. Children enjoyed & regaled with squeals and laughter. It was indeed a day that they will cherish in the times to come.
