Reflections:

“A well-told story is something that will stick in your audience’s mind for years to come.”

A one-day workshop on Storytelling by Ms. Shalini , a consultant with NIE HT City was organized for the children of class P4 and P5 on 17th April 2023. The resource person narrated the story ‘Grandma’s Spider’ and left the children spellbound. The main key points of the story telling which drew attention were-

- Eye Contact
- Voice Modulation
- Variation (tone, volume and speed)
- Facial Expressions
- Movement
- Dramatic Pauses (to think critically)
- Selection of Story (theme, length, language and vocabulary)

Post story telling children learnt the art of puppet making in two different styles. One with socks and the other with paper cup. It was a great learning opportunity for children as well as teachers as it provided them with exposure to the techniques used for storytelling. It was indeed an enriching workshop.
