

PRE-PRIMARY BOOK WEEK @ GBS

To inculcate the habit of reading amongst the young readers and to improve their verbal proficiency, 'PRE-PRIMARY READING TOGETHER' was observed during The Book Week from 8th to 12th May, 2023. An array of activities was organised featuring stories like 'The Moon and the Cap' and 'The Sky is Falling Down', specially selected for the Nursery and Kindergarten children respectively.

Various innovative, narrative techniques like light and shadow, puppetry, music and dance were adopted by the vibrant storytellers to weave stories to the tiny tots during the morning assembly. Listening with rapt attention, they were exposed to the basics of theatrical movements, voice modulation and the rhythm of storytelling. The pre-primary wing wore a festive look and spared no opportunity to enthuse the pre-schoolers in this edutainment and expand their realm of imagination.
