Report

The students of Lakshmibai and Siddharth House jointly presented the House Function on 4th May 2023. The cultural programme derived inspiration from what has been pushing our beloved mother Earth towards its gradual ruin: Pollution.

The theme of the function was exceptionally brought out in each performance.

The Classical Orchestra Recital- Raag Darbari Kanhada set the tone for the event followed by the Western Orchestra Recital titled 'Na Kato Mujhe Dukhta Hai'- symbolic of the devastation the earth faces each day.

The invocation- Ganesh Vandana kickstarted the programme on an auspicious note, seeking the blessings of Lord Ganesh.

In devotion to Lord Krishna a duet dance performance mesmerized the audience.

A group of singers sent across a message to Heal The World. They were lauded for a beautiful rendition of Ye Kaun Chitrakaar Hai?

Showcasing the sanctity of the Holy Ganga, a group of dancers depicted the tale of Bhagiratha and the Ganga through their performance titled Jal Hi Jeevan.

The theatrical performance titled Kar Ka Manka Daar De, Mann Ka Manka Pher was truly impactful.

The event also witnessed budding artists engaged in Live Art as the programme went on.

Heartfelt gratitude was expressed to School Director Ms. Lata Vaidyanathan, Principal Dr. (Mrs.) Mudita Sharma, Vice Principal Mr. Sanjay Bharadwaj, House Masters and associate teachers, Co-scholastic teachers, logistical support staff and students from both the houses who made the programme a huge success.
