

Gyan Bharati School, Saket

Interact Club

Van Mahotsav

Event Report

On Monday, 7th August 2023, The Interact Club of Gyan Bharati School in liaison with the Rotary Club Delhi South and the Smiling tree foundation celebrated a dignified event of Van Mahotsav. The event commenced with a warm welcome of our reputed Chief Guest, Mr Ajay Narain, member BoG, Mrs Bhavna Shukla, Branch Manager Punjab & Sind Bank, our esteemed Director, Ms Lata Vaidyanathan and school Principal, Dr (Mrs) Mudita Sharma along with the Vice-Principal, Mr Sanjay Bharadwaj.

There are not many things that are as rewarding as planting a sapling. Planting a young tree is an investment in the hope of a better future. Trees are incredibly beneficial to our environment. They beautify the landscape, provide shade from the sun, produce oxygen, supply fruit, and nuts, and invite essential bees and birds to your property. Trees continually purify the air around us. On this account, all members of the Interact Club planted saplings in an effort to spread awareness about forest conservation and to save the environment. The saplings consisted of a wide range of herbs and shrubs which were collectively planted by the interactors who found the activity to be very satisfying and engaging. An interactor delivered a speech from a little potted plant's perspective. The address made everyone aware of the significance of trees in our surroundings.

This event proved to be highly fruitful as it helped the interactors to understand the importance of Van Mahotsav to a great extent. Moreover, the event was a huge success and the students' efforts were highly appreciated by the chief guest, Mr Narain and our Director Lata Ma'am.

With a new attitude, all interactors now hope to instil a greater sense of responsibility to the future generations.

Students of Interact Club celebrated Van Mahotsav with great enthusiasm.
