

**Gyan Bharati School
Saket, New Delhi**

DATE: 1.09.2023

NAME OF THE EVENT: Class Assembly- Theme- 'Save Water'

CLASSES: PRIMARY CLASSES –P3

TEACHER INCHARGE: Ms. Jaya Dogra

REFLECTIONS:

Opening Thought: The assembly commenced with a warm and inviting opening thought, setting the tone for the day's proceedings.

Poem on Save Water: A captivating poem on the theme of "Save Water" was recited, engaging the audience and emphasizing the significance of water conservation.

Play Performance: The highlight of the assembly was an incredible play presented by the enthusiastic children. This performance shed light on the crucial importance of saving water and left a lasting impact on the audience.

Interesting Water Facts: During the assembly, some fascinating facts about water were shared with the students, further educating them on the value of this precious resource.

Closing Thought: The assembly was brought to a thought-provoking conclusion, leaving the audience with a deep sense of awareness regarding water conservation.

Quiz and Student Participation: To promote active learning, a small quiz related to the theme of water conservation and current affairs was conducted by our Primary Incharge, Ms. Anupama Chand ma'am. The students of primary classes participated enthusiastically, showcasing their knowledge and enthusiasm for learning.

The assembly was a resounding success, instilling in our young learners a sense of responsibility towards conserving water, an invaluable resource for our planet's future. We are proud of our students' active engagement and commitment to making a positive impact on the environment.
