

TEACHER'S DAY CELEBRATION

Teacher's Day was celebrated within the school premises on 5th September. The day was dedicated to the teaching fraternity for their untiring efforts and for displaying an extraordinary sense of commitment on all occasions.

The morning cultural fiesta in the school amphitheatre began with a heart-warming assembly. The dances, play and the game show mesmerized the teachers, as they witnessed scintillating performances by the students of the senior school. The School Principal, Dr. Mudita Sharma conveyed her heartfelt wishes on the auspicious occasion. The School Director, Ms. Lata Vaidyanathan blessed the teachers and encouraged them to aspire for higher goals. A sumptuous lunch was organized for the teachers in the outer auditorium. The menu included a variety of Gujrati dishes and desserts. Each teacher received a small token of appreciation from the school management. This was followed by the movie screening of OMG2 for all the teachers at the nearest PVR, providing a perfect way for the teachers to unwind and relax after a day of appreciation and celebration. The event fostered a sense of camaraderie among the educators.
