

Workshop-Financial Literacy and Use of Digital Tools

A workshop was conducted by CBSE in collaboration with Kotak Investments in Gyan Bharati School on 27th October 2023 from 2:30 pm to 4:30 pm. It was a sensitisation programme to spread awareness about Financial Literacy and use of Digital Tools . Teachers from Govt Boys School G block, Red Roses Saket, Govt Boys School Jogabhai Batla House, Ishani Sarvoday Girls School G Block, MNDP School Sangam Vihar and Govt Boys School J Block attended the workshop along with teachers from Gyan Bharati School. The idea was to spread awareness at the grass root level so that the young students who pass out of the school are aware of the ways to manage their money and make some wise decisions regarding savings and investments, by the time they start earning. The resource person Ms Monika Sachdeva , explained the need for savings and the best investments to make in order to achieve one’s financial goals. It was extremely informative as most of the people present there had no knowledge about the kinds of investments that are available in the market and were clueless about the working of stock market. Ms Sachdeva also reiterated the need to be extremely cautious about online payments and not sharing one’s password or atm pin with any person. She advised not to use any open or free wi-fi connection to make any financial transaction. The teachers were given certificates at the end of this enriching session by Kotak Investments.
