

Session on Intellectual Property Law & Life at Law School

Conducted By : Mr. Rian Gupta

On 13th October 2023, the school organized a highly informative session for students of Classes 11th and 12th on the topic of 'Intellectual Property Law and pursuing a career in Law' The session was conducted by Mr. Rian Gupta an esteemed alumnus of our school who is currently pursuing a degree in Law from Bennett University (4th Year)

The session commenced with a comprehensive introduction to the basics of Intellectual Property Law, including copyrights, patents, trademarks, and trade secrets. Rian effectively illustrated the significance of protecting intellectual property in the modern world.

He also presented several real-life case studies and examples (Copyrights, Patents, Trademarks, Personality Rights and Geographical Indication etc) to provide the students with a practical understanding of how Intellectual Property Law operates in the real world. This helped the students to grasp the complex legal concepts more effectively.

The session also focused on the diverse career opportunities available in the field of law. He discussed various career paths, such as corporate law, litigation, intellectual property law, and legal research, emphasizing the importance of specialized knowledge and skills in each area.

Rian also addressed a few queries, providing valuable insights and encouraging the students to consider law as a dynamic and rewarding career option.
