

A two-day Capacity Building Programme (CBP) on “Strengthening Assessment and Evaluation Practices”

Roma Doraiswami of Gyan Bharati School attended a two day workshop on 18th and 19th October organised by CBSE. The topic of the workshop was ‘Strengthening Assessment and Evaluation Practices. The workshop was conducted by Mrs. Manju Gupta. As per the NEP 2020, the rubrics of the teaching learning process, teaching methodology, pedagogy, evaluation, and assessment should be such that they empower in the student an ability to demonstrate along with an apt set of skills, knowledge, and language. The main objective of this workshop was to understand the integral elements of the latest structure of assessment and to optimize learning and development in all students through regular assessments.

Ancient Wisdom and Futuristic Learning : Unleashing the potential of Education.

Roma Doraiswami of Gyan Bharati School attended a workshop on 27th October 2033 themed –‘Ancient Wisdom and Futuristic Learning’ at Tagore International School organised by NPSC. The workshop was conducted by Dr. Swati Popat Vats. (President of Podar Education Network and a global educator with over 32 years of experience in the field of early childhood education) The workshop gave an opportunity explore the various innovative approaches in teaching to bridge the gap between ancient wisdom and futuristic learning. NEP also focuses on the integration of ancient wisdom, passed down through countless generations into our education system.
