NAME OF THE EVENT: Excursion to the National Zoological Park

CLASS: P2

TEACHER INCHARGE: All class teachers of P2

The students of class P2 went on a day trip to the National Zoological Park. There were different species of birds, which the students saw for the first time. It was a great learning experience and children were sensitized towards the care and well-being of animals. The students were asked to write their observations and illustrate their excursion experience as a follow-up activity.

My experience of the national zoo.

- 1) I go to zoo with the bus.
- 2) Then I saw some hospitals, shops and houses.
- 3) If I arrived, I saw everything.
- 4) I saw elephant, monkey, tiger and tortoise.
- 5) Then I went in battery operated car to see more animals.
- 6) Leopard was the best animal.
- 7) I enjoy my trip in the zoo.
- 8) One of them was the peacock which had beautiful feathers.
