NAME OF THE EVENT: EXCURSION TO THE NATIONAL ZOOLOGICAL PARK

CLASSES: P 1

On 13th December 2023, P1 students embarked on an enthralling visit to the National Zoological Park. Their day was filled with wonder as they observed a diverse array of wild animals, learning about each species' uniqueness. Teachers emphasized the importance of respecting animals' sensitivity in captivity, urging the students to refrain from loud noises or calling out to the creatures.

Post-tour, the children creatively documented their experiences through drawings and writings, showcasing their reflections on the day's discoveries. Collaborating and enjoying each other's company, the excursion wasn't just educational; it became a joyful collective experience, fostering bonds and leaving an enduring impression on the young minds of our students.
