

Gyan Bharati School hosts Annual Exhibition 2023-24

‘A Blend of creativity, innovation and discovery’

Gyan Bharati School, Saket organized its Annual Exhibition on Saturday, 23 December, 2023 on a grand scale. The chief guest for the occasion was the noted politician and lawyer Mrs. Meenakshi Lekhi. The guest of honour was Mr. Himanshu Gupta, Secretary CBSE. The School Chairman Shri Gopal Ansal presided over the exhibition. Other dignitaries included Mr. Gaurav Mohan Puri, Member of BOG and Mr. Shobhit Charla.

The programme began with the customary lamp lighting ceremony. The school Director delivered an eloquent address and formally introduced the chief guest. The school Chairman, chief guest, Director and Principal declared the exhibition open by releasing a limerick book "Quirky Quintains by the members of the Reading Club.

The school premises had an eclectic array of exhibits that included projects handcrafted by students from Pre-Primary to the Senior Secondary, encompassing all disciplines.

The exhibition attracted scores of visitors including parents, school alumni and family. The Interact Club organized a thought-provoking Nukkad Natak. Other presentations such as a spellbinding enactment on Article 370 in the presence of Mrs. Meenakshi Lekhi along with COP 28 and a group song on Qutub Minar left an everlasting impression on the minds of the audience. Innovative exhibits demonstrating the new era of technology through AI applications and AR learning tools were some of the major highlights.

The chief guest Mr. Himanshu Gupta highly appreciated the artistic endeavor of the students and reinforced the need for sustainability in our lives. Mrs. Lekhi delivered a motivational speech and highlighted the need of contributing substantially towards the nation's development.

The exhibition garnered much applause from the parents who were overwhelmed to see the wealth of knowledge displayed. Apart from its multidisciplinary approach towards teaching and learning, it fostered students' skills in research, organization

and collaboration. Furthermore, it boosted the confidence of students, their ingenuity, making them future- ready.
