

Gyan Bharati School
Saket, New Delhi

DATE: 23.02.24

NAME OF THE EVENT: IGNITED MINDZ STEAM- BASED ACTIVITY

CLASSES: PRIMARY CLASSES(P3-P5)

TEACHER INCHARGE: MS. RACHNA AGGARWAL

The Primary department of Gyan Bharati school organized engaging sessions throughout the academic year to foster critical thinking and enhance scientific skills in children. Participants were equipped with KNEWTON kits, enabling hands-on learning of the science behind every day phenomena. Trainers guided students through assembling and working on activities, emphasizing real-life applications. This approach encouraged experiential learning, fostering creativity and introducing concepts such as air, pressure, sound, time, human body, aerodynamics, light, force, energy, and simple circuits. The students eagerly anticipated these sessions, finding enjoyment in learning through interactive activities.
