NAME OF THE EVENT: JAL ITIHAAS - WATER CLASSROOMS , AN EDUCATIONAL PROGRAM

CLASSES: PRIMARY CLASS -5

TEACHER INCHARGE: DEVJA CHHABRA AND RACHNA AGGARWAL

'Jal Itihaas - Water Classrooms' was an educational program aiming to empower young citizens. Partnering with the National Water Mission of India, it targeted students to promote knowledge, critical thinking, experiential learning, and respect for water and its historical significance. Students participated in 8-10 interactive sessions, each lasting 45 minutes to an hour, conducted within the classroom either weekly or bi-weekly. Students thoroughly enjoyed making posters and river stories, composing poems, and visiting bowli. Their work was displayed at the school's Annual exhibition.
