

**3rd April 2024**

**Session on Online Banking Frauds and Policy Framework**

On April 3, 2024, a team of 4 law students (*Mr. Avnindra Sakalle , Mr. Rian Gupta , Ms. Vaishnavi Singh and Ms. Anushka Srivastava* 4th year, B.A.LL.B. (Hons) from Bennett University) conducted an awareness session on online banking frauds and policy framework for the students of class SS2-D. The session aimed to educate the students about the various types of online banking frauds, preventive measures, and the legal aspects associated with such crimes.

The session lasted for approximately one hour. The team of law students began by providing an overview of the prevalence of online banking frauds in today's digital age and emphasized the importance of safeguarding personal and financial information.

The presentation included detailed discussion about the following topics : Cyber Crime and preventive measures, types of online banking frauds in Indian Banking, threats for cyber security, relevant case studies, and safety measures against online frauds.

Following the presentation, the students were encouraged to ask questions and share their experiences or concerns related to online banking frauds. The interactive session facilitated an engaging dialogue between the law students and the class, allowing for a deeper understanding of the subject matter.

The session concluded with a message emphasizing the importance of remaining vigilant and informed about online banking security measures.
