

**Gyan Bharati School
Saket, New Delhi**

DATES: 27.03.24

NAME OF THE EVENT: Orientation Day

CLASSES: P1

TEACHER INCHARGE: Class teachers of classes P1, Mrs Anupama Chand (Primary In charge)

The orientation session proved enriching for all new P1 parents. It was heartening to see many parents familiar with the system, share their experiences and their versions of how their children gained new skills in a system which fosters 'Khel-Khel mein, khushi-khushi se'. Witnessing a strong parent turnout was gratifying, with many gaining an insight into the year-long activities in store for them. Parents were apprised about the learning processes their children would undergo, along with an explanation of how the entire curriculum at Gyan Bharati contributes to their children's holistic development. Reading was highlighted as a fundamental skill - a platform for the child to acquire and develop the literacy and numeracy skills. Overall, the session was well-received and left the parents feeling informed and reassured about their child's educational journey at Gyan Bharati School.
