The students of P3 were taken to PVR cinema for a movie excursion to watch a biopic movie- 'Chandu Champion' on 10th July, 2024 (Wednesday). Students were very thrilled and excited to watch this film. The movie engaged the students and was a significant break from their daily routine. It was a fun-filled day with a great learning experience for them. One of the most commendable aspects of this movie was its ability to inspire the young learners to remain motivated in the most challenging situations. The film doesn't just tell a story but it also delivers a powerful message about perseverance, courage and unbeatable human spirit. It taught a very important lesson to our students that champions are not just defined by their victories, but their ability to rise after every fall.

While viewing such an inspiring movie, the students were served popcorns and juices. Every bit of movie was enjoyed by all the students and they returned to school with smiles on their faces. Children always look forward to such occasions when they could be just for themselves, in the company of their friends and live each movement to its fullest.

The movie excursion proved a resounding success, achieving its objectives and providing a memorable experience to all the students.
