

DATE: 16-18 September 2024

NAME OF THE EVENT: NAEST (National Anveshika Experimental Skill Test) – Finals at IIT Kanpur (Sopan Ashram)

CLASSES: IX-XIITH, BSc and MSc

TEACHER INCHARGE: Mr Akshay Bhalla

The National Anveshika Experimental Skill Test (NAEST) is organised by the National Anveshika Network of India in association with IIT Kanpur and Shiksha Sopan. NAEST is an annual Physics competition that assesses and nurtures keen observational, analytical and experimental skills of an Indian student in Physics.

We are delighted to share that **Sankalp Dubey of class S1A** cleared the NAEST screening and preliminary rounds and secured the **First Rank** in the regional round. He appeared for the finals held at the Shiksha Sopan at IIT Kanpur and was honoured with a **Certificate of Special Mention** presented by the **Padma Shri Awardee Dr HC Verma**.

Congratulations to Sankalp Dubey for such a remarkable achievement.
