Dear Parents- Nursery (2024-25)

15th Jan 2024

Greetings from Gyan Bharati School!

Gyan Bharati School imparts integrated and comprehensive education which is formative and not merely informative. It lays emphasis on full growth of students' character and personality which should normally lead them to self-fulfilment and also make them valuable members of the Society.

It endeavours to guide and shape natural talent so that the student is able to: (a) absorb and live by the permanent values of life as enunciated by ancient and modern thinkers and rooted in India's spiritual heritage, culture and tradition, (b) to develop a scientific outlook and an attitude of learning throughout life, (c) to keep abreast of time and foster sustainable education.

Gyan Bharati is a futuristic school, guided by technology, which has transformed almost every aspect of our lives. Our readiness to embrace change is in keeping with the spirit of innovation.

We are dedicated to providing your child a memorable, interactive and engaging learning experience.

Soon, the class teachers of each section will make a WhatsApp group of parents(**by 20th March'24**) and provide a login ID for the school portal and site www.gyanbharatischool.net
