COMPUTER

JANUARY

TUX Paint

- Starting Tux paint
- Tools Of Tux Paint
- Creating a New drawing

FEBRUARY

MORE on TUX PAINT

- Working with special tools
- Saving a document

FOOD MELA REPORT

Food Mela was organised for the children of class P2 on 18th December 2019. Healthy eating prepares kids mentally and physically for their day. A healthy environment was created for the children by offering our kids nutritious options for the meal. They were briefed about why healthy eating is important. Our main purpose of organising this event was to instill lifelong healthy behaviour in our kids.

The event was started by performances by children of class P2. They spoke about importance of "Healthy eating". This was followed by some thoughts and poems by the children. The children were made to sit together and they shared the food that they all had brought. They ate aloo sabzi and poori, rice with rajma, salad and sweet. It was a good experience for them and they thoroughly enjoyed the "Food Mela".
