**ACTIVITIES:**

**ENGLISH:**

Activity to be done and brought to school on 28<sup>th</sup> April 2023.

The parent will help the child to recreate the given picture in a board game. They may draw or take a printout of the sheet and paste it on a cardboard piece. Then, using a die and counter the child may play this game with others. If they land on 'cereal' for example, they will have to give a proper noun for the same i.e., Kellogg's, Cheerios, etc.

**PROPER NOUNS BOARD GAME**

When you land on a space, read the common noun out loud. Then, say the name of a proper noun that names a specific version of that common noun.

**EVS:**

Activity to be done and kept at home.

Make the child watch the given video.

<https://www.youtube.com/watch?v=KJ1ygFknjYo>

The video talks about how each one of us is different yet so beautiful. After watching the video encourage children to talk about themselves and what they like about themselves the most.

Children can make a list of all the traits they love about themselves and something which they would want to change stating the reason for it.
