Animal life –

- Observes and talks about animals- their young ones, homes and sounds.
- Talks about animals in different habitats.
- Discusses about the food habits of different animals.
- Talks about the useful animals (pet, domestic).

# Fun Activities

## ACTIVITY #1 - PRONOUN POWER

Material Required- **Coloured A-4 sheets , scissors and sketch pens**

Procedure-

- This is a recapitulation activity wherein children after understanding the concept of Pronouns can do this activity
- In this, the students will create lists of pronouns and will write the correct people and things underneath. Later they can attach these lists to headband and show their Pronoun.
- For eg:

<b>SHE</b>
Cindrella
sister
mother
Gaurvika

## ACTIVITY #2 क्रिया समय सारिणी

विद्यार्थी किसी भी एक दिन की समय सारिणी बनाएँगे जिसमें वे अपनी दिनभर में किये गए कार्यों को चित्रों द्वारा दर्शाएँगे।

उदाहरण-

सोमवार						
	जागना	दाँत साफ़ करना	खाना	पाठशाला जाना	खेलना	कहानी सुनना

## ACTIVITY#3 : “FIVE WINS”

**Material required: paper, pencil, deck of cards**

You can play this game with your family members. Each player will prepare a bingo chart on a sheet. Sit ready with a pencil and a deck of cards (face cards removed).

**NUMBER BINGO**

5	4	10
8	2	1
6	3	9

- Each player should write any five numbers from 10-50 on their own paper. No number can be repeated.

- The players take turns. Player one turns over two cards, adds the numbers mentally and crosses off the answer if it appears on his/her bingo chart. The other players can challenge the answer(point out if the answer is incorrect), if necessary.
- The first player to cross off all five of his/her own numbers wins.
- For a faster version when the two cards are turned over, all players can add the two numbers mentally and cross off the number if it appears on their own bingo charts.

#### **ACTIVITY#4 : MOVE LIKE AN ANIMAL!**

##### **Material required:**

- **Flash cards**

##### **Method:**

Put all the flash cards in bowl and mix it well. Ask your child to pick one and act like it. Other members can pick it turn wise and enjoy the game. Few samples are given below for your reference. Make at least 8-10 cards.
